Put your office  
communications  
at your fingertips!

With SWITCHVOX® and POLYCOM® solutions,  
your business could do more than just talk...  
you could TRULY COMMUNICATE!

**At Digium, we're changing the way businesses communicate.**

Let's talk about how we can help improve productivity in your office. You'll be amazed at the enterprise class features Switchvox can deliver, at a price you can afford. In fact, most businesses discover they can get more features for less than they spend today! Visit [digium.com/switchvox](http://digium.com/switchvox) and you'll find examples of businesses who have already benefitted from a Switchvox makeover.

**Will you be the next Switchvox success story?**

**Enter to win at [www.extremephonemakeover.com](http://www.extremephonemakeover.com)**

**This Unified Communications system provides:**

- Find Me/Follow Me
